## WILL RETURN FOR TRIAL

Nathan Harold Withdraws Fight
Against Georgia Warrant.
Nathan Harold, known in Petersburg
for the last ten years as W. M. Carter,
was surrendered to the Georgia authorities by Governor Stuart yesterday, and started on his trip back to
the Cracker State last night. He will
face the charge of assault with intent
to murder a plumber, whom he is alleged to have shot.

When he was nabhed in Petersburg,
Harold, through his counsel, announced
his intention to resist extradition. The
Governor accordinity fixed a date for
a hearing, which was to have been
given the prisoner yesterday. At the
eleventh hour, however, he decided to
make no fight, and the requisition of
the Georgia Governor was honored by
Governor Stuart. Harold, allas Carter,
it appears, caused the death of a man
in Petersburg a few years ago, but
was exonerated of the charge of felomious intent. He accuses the brother of
the dead man of disclosing his identity
to the police.

for the part he took in the alleged fraud.

He had been living in Washington for several years, and dwring that time became connected with Harry Lamson, of that city. Lamson was the other man in the deal, and he was arrested in Washington last Friday. According to the police they were intrusted with twenty \$500 promisory notes, signed by John P. Smith, and payable in eighteen months to Elsie G. Daley by February 14. These notes were collateral security for a loan of \$5,000, and they belonged to Nellie I. Bradford. Lamson and Cooke are alleged to have converted the notes into \$5,000 cash, the alleged act being a form of embezzlement under the District of Columbia law.

he arraigned in Police Court this morning.

The negro is alleged to have gone to the Joseph woman's store, at Twenty-ninth and P Streets, and to have asked her to give him a \$5 bill in place of change. She secured the bill and presented it to the man, it is said, whereupon he is alleged to have jerked out a revolver and, under threats of shooting her if she made an outcry, to have backed out of the store and run.

Wilson Taylor and Cornelius Coleman, both colored, were yesterday arrested by Patrolmen Whitlock, Waters and Holt, charged with trespassing on the premises of J. S. Slielms, 210 East Marshall Street, with intent to commit larceny.

Experience is or should be our best teacher. Women who have obeyed the highest and noblest of all sacrifices, the

highest and noblest of all sacrifices, the struggle for the life of others, should have a better idea of helpful influence than the se who theorize from observation.

At any rate when a prospective grandmother urges her daughter to do as she did—to use "Mother's Friend," there is ample reason to believe it the right kind of advice.

Its purpose is to furnish pliancy to the muscles, to take away the strain on the cords and ligaments, to relieve the tersion of nerves and tendons so apt to provoke or aggravate nausea, morning sickness, twitchings of the limbs and so on. It is applied externally.

Although, in the nature of things, a woman would use "Mother's Friend" but rarely, yet so effective has it been found that this splendid remedy is on sale in most drug stores throughout the United States. It has been prepared by Bradfield Regulator Co., 306 Lamar Bidg., Atlanta, Ga., and advertised by us for over twenty years. Ask at the drug store for a bottle of "Mother's Friend."
